## *A Message From The Founder*

*My dear young students !*

*Welcome to you to the Institutions of Vidyavihar!*

*Your finest hour is here. The future Belongs to you.*

*Let us all zealously work together and  
Dedicate ourselves to build India of our Derams.*

*Remember, nothing was ever achieved  
Without hard work. Be bold but not Bowled over.*

*Let Truth and Duty be your watchwords.  
Never despair in the face of setbacks.*

*Keep courage and continue to work with Fortitude  
Have faith in yourselves and in the Almighty.*

*Strive for your Goals and the future in yours!*

### **Our Collective Vision**

Our Founder, Padma Bhushan Shri K. J. Somaiya founded Somaiya Vidyavihar on the 9th of September 1959. He later founded the Girivanvasi Pragati Mandal, the K. J. Somaiya Medical Trust, Girivanvasi Education Trust and sister institutions to make great citizens of India and the World. In the words of Swami Vivekananda, "We want that education by which character is formed, strength of mind is increased, the intellect expanded, and by which one can stand on one's own feet." We have now grown into a multi-disciplinary and multi-campus education institution.

Our motto is: ज्ञानादेव तु कैवल्यम् । Knowledge alone liberates. Education liberates from poverty, from hunger. Also liberates one from the attachments that bind us to small-mindedness. Knowledge also provides opportunity. To make the life lived more meaningful. In the service of one's family, one's community, one's समाज, country, and Indeed the world. Bearing in mind that there is no religion other than the life lived in the service of humanity, न मानुषात् परो धर्मः। We will strive to provide access and opportunity to build a more inclusive society.

Our education in any subject will reflect its timeless fundamentals, its current context, and applications. There is so much scientific discovery taking place, at the intersection of fields, of biology, computing, medicine, the social sciences and everywhere else. We will provide students and faculty with an environment to engage this world, to discover new truths, make new applications to create and share knowledge.

Our education will also be experiential. With projects that are 'real' and those that complement the learning inside the classroom. Our students and faculty will be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any field of their passion.

Our education will also be holistic. Sports and physical exercise must be a firm part of the curriculum. For students to develop a love for sports, for recreation, for health, for teamwork, for competition.

Our education will also instill an appreciation for art and culture.

In the Bhagavad Gita, Arjun asks Krishna how is one to control one's mind that is as fleeting as the wind. Krishna responds that it can only be done through practice and discipline. वैराग्येण तु कौन्तेय अभ्यासेन च गृह्यते । We will strive to teach our students to learn to stay calm in our turbulent world.

And our education will also include the ancient Indian tradition, its culture, its depth, and its knowledge. We must keep the connection with our mother tongue and our languages. Languages are storehouses of culture, and the loss of a language takes with it much learning, stored through it over the ages.

Finally, our education will help students lead a full life, to fall in love with life.

## **About Somaiya Vidyavihar**

Padmabhushan Karamshi Jethabhai Somaiya founded Somaiya Vidyavihar an education trust in 1959, to provide quality holistic education. It was founded on the belief that, education is an important pillar of nation building with the power to change lives, and that it is the duty of the privileged to help provide it to whoever aspires to be educated.

Somaiya Vidyavihar encompasses 34 institutions, with more than 39,000 students and 1,500 faculty. Its educational institutes are spread across two main campuses - a 50 acre complex in Vidyavihar and a 28 acre complex in Sion both located in the heart of Mumbai besides a number of smaller campuses across rural Maharashtra, Karnataka and Gujarat. Currently we offer Degree, Diploma & Certificate courses at Undergraduate, Post Graduate and Doctoral levels. Somaiya Vidyavihar also runs a few autonomous Post-Graduate Courses, Vocational Training Courses and High Schools.

Somaiya Vidyavihar fosters an ecosystem that excels in education, research and service, a place where knowledge is preserved, disseminated and new knowledge is created. It is known as much for its Science, Technology, Medicine, Engineering, Management, Social Sciences and Commerce programs, as for its programs for academic studies in various Faiths and Cultures of India.

Shri. K.J. Somaiya guided Somaiya Vidyavihar until 1999, his son Dr. S.K. Somaiya was at the helm of affairs till 2010. Today Shri. Samir Somaiya, a Cornell University and Harvard Business School alumnus is the President.

Our motto ज्ञानादेव तु कैवल्यम् | Knowledge alone liberates remains the bedrock, as we strive to expand and continuously innovate our education.

### **From the Principal's Desk**

We are living in a Technology-driven age. Existing Knowledge becomes redundant very fast. Students need to constantly update, change and restructure existing information. Only then can we cope with the flux brought by an ever-changing world. Every new dawn will throw up new challenges during this our golden jubilee year. Armed with courage, determination, and self-confidence, I'm sure, my young students will be able to turn even the darkest situation into a victorious and memorable one.

In September, 1959, a philanthropist and visionary Shri Karamshibhai Jethabhai Somaiya in an inspired moment envisaged the blending of spiritual education along with advanced Science education which eventually gave birth to Somaiya Vidyavihar.

Our founder—Padmabhushan Shri K. J. Somaiyajji never intended to start an institute for mass-production of standardized students. In keeping with his vision, we wish to impart education to our students who would cherish the traditions and values of the past and yet have the knowledge and skills to cope with the changes of this century.

Way back in the 1960s, our founder spoke about the modern concept of “Social Responsibility”. He stressed on giving back to the society manifold what one received from it. This was his method of thanks-giving to the society that catapulted him from a small-time businessman to one of the doyens of the Sugar Industry. Following his footsteps, if our students embraced the eternal qualities of truth, hard work, and unlimited optimism, success would lessen the burden on their shoulders.

To fulfil our mission of empowering students, the college lays great emphasis on the all-round development of all its pupils. While academic excellence is of course encouraged and rewarded, a variety of extra-curricular activities conducted by the institutions enable the students to explore and bring out their talents and potential and develop an onward looking and confident personality. About 6,500 students of both the Junior and Senior College and about 150 Post Graduate and Research students participate in academic and other activities of the college every year under the guidance of a caring and supportive staff.

Like a blooming flower radiates beauty, fragrance and joy around, I am sure that all my budding students & research scholar's, under the able guidance of our staff, will sail through the seamless ocean of knowledge and help society in making a better place.

**- Dr. (Smt.) Sudha Vyas**

## About Our College

In September, 1959, a philanthropist and visionary Shri Karamshibhai Jethabhai Somaiya in an inspired moment envisaged the blending of spiritual education along with Advanced Science Education which eventually gave birth to Somaiya Vidyavihar.

In the following five decades the Somaiya Vidyavihar campus grew to thirty five institutions catering to the needs of students from primary to post graduate level. The educational conglomerate located in a lush green campus admeasuring sixty acres of land at Vidyavihar and thirty five acres at Sion Chunabhatti in the eastern suburb is an institution to be reckoned with Somaiya Vidyavihar is recognized both nationally and internationally. Dr. S. K. Somaiya, the worthy son of the founder of Somaiya Vidyavihar has provided a dynamic leadership which is continued by present President, Shri Samir Somaiya for an exponential growth and diversification of these institutions.

The K. J. Somaiya College of Arts & Commerce is one of the premier institutions in the Somaiya Vidyavihar campus, enjoys a linguistic minority status and is permanently affiliated to the University of Mumbai and recognized by UGC under 2(f) and 12(b) of U.G.C. Act.

The process of re-accreditation for the College is a progressive realization of its goals for the College. It is an on-going sojourn in a pre-determined direction and purpose. Presently the institution is poised for an Exponential growth and taking upon the autonomous status for itself so that academic excellence can truly be promoted which is, cherished goal of different stakeholders

On January 8, 2004, the college was conferred 'B' Grade by the National Assessment and Accreditation Council. The College has been re-accredited and awarded "A" grade with a CGPA score of 3.27 by NAAC recently on 4<sup>th</sup> September, 2010. The college was conferred with AUTONOMOUS Status by U.G.C. vide letter no. F.22-1/2011(AC) dated 3.11.2011 and University of Mumbai vide letter no. Aff./ICD/2012-13/1/887 dated 19.10.2012.

The college was recognised by UGC for period of 2016-2021 as a "College with Potential for Excellence" vide letter no. f12-1/2010/2015(NS/PE) dated 27<sup>th</sup> May. 2016. The college is ranked 1<sup>st</sup> among Arts colleges in Mumbai and 3<sup>rd</sup> among the commerce colleges in Mumbai, (Source: India Today Magazine June 2017). The College is reaccredited and awarded 'A' grade with CGPA score 3.33 in the third Cycle by NAAC recently in the month of September, 2016.

The College has acquired a vibrant atmosphere due to co-curricular and extension activities. The NCC Unit has brought laurels in the form of the Vice-Chancellor's banner for three years. The NSS Unit has built a strong bond through community service in the areas of health crises preparedness, gender sensitization, building of life-skills, environmental enrichment and conservation.

Presently the institution is poised to take upon the autonomous status for itself so that academic excellence can truly be promoted which is cherished goal of different Stakeholders.

## **CONCEPT OF CREDIT SYSTEM**

- Involves breaking down the curriculum into measurable units that can be combined to get a degree / diploma.
- A 'credit' is generally a 'value' used to measure a students work load in terms of learning time required to complete course units, resulting in learning outcomes.
- Credit is used in higher education to summarized and describe an amount of learning.
- The number of credits awarded to a learner is determined by Credit Value or Credit Points assigned to a particular course.
- It is a way of expressing the 'learner's workload'. (Student's)
- It affords more flexibility to the learners allowing them to choose inter-disciplinary courses. One (01). Credit is thirty (30) learning hours. Credits once gained cannot be lost.

## **TERMINOLOGY USED IN CREDIT SYSTEM**

- **Programme:** A programme is a set of courses that are linked together in an academically meaningful way and generally ends with the award of a Certificate or Diploma or Degree depending on the level of knowledge attained and the total duration of study. E.g. Certificate in office Computing, Diploma in Journalism, B. Com, M. Sc. M. S.W. etc. are the 'Programmes'.
- **Course:** A course is essentially a constituent of a 'programme' and may be conceived of as a composite of several learning topics taken from a certain knowledge domain, at a certain level. A 'course' in simple terms corresponds to the word 'subject' used in many Universities.
- **Module or Unit:** A module or Unit is a part of the course which may be studied in conjunction with other learning modules or studied independently.
- **Credit Points:** This has reference to the 'Workload' of a learner and is an index of the number of learning hours deemed for a certain segment of learning. The course may

be assigned anywhere between 4 to 8 credit points wherein 1 credit is equal to 30 learning hours.

- **Credit Completion or Credit Acquisition:** - It may be considered to take place after the learner has successfully cleared all the evaluation criteria with respect to a single course.
- **Credit Bank:** - The process of accumulating Credits over a period of time, leads to the idea of a 'Credit Bank'. Conceptually, a Credit Bank in simple terms refers to stored and dynamically updated information regarding the number of Credits obtained by any given student along with the details regarding the course/s for which Credit has been given, the course-level, nature, etc.
- **Credit Transfer:** - Credit Transfer means that credits earned at one institution for one or more courses under a given programme are accepted under another programme either by the same institution or another institution.
- **Performance Transfer:**-When a student who has successfully completed a certain academic programme, is allowed to transfer his past performance to another academic programme having some common courses, performance transfer is said to have taken place.
- **Course Exemption:**-The student who has already completed one of these academic programmes is then allowed to skip these 'equivalent' courses when registering for the new programme. He is then 'exempted' from 're-learning' the common or equivalent content area and from re-appearing for the concerned examinations.
- **Block Transfer:**- This refers to a group of courses, such as a completed certificate or diploma programme that are accepted for transfer of credit into a degree programme.
- **Shelf Life:** - This has a reference to the time duration for which the content of a given course is relevant and is directly linked with the obsolescence of knowledge in a certain field. Some institutions have time limits for granting credit transfer.
- **Transfer Agreement:** - This is an agreement that must be made between two institutions (a sender and a receiver) that specifies how the sending institution's course or programme will be accepted (for transfer of credits) at the receiving institution.

\* These terminologies will be incorporated in the existing ordinances in due course by placing it before the appropriate authority.

### **Group Insurance Scheme for Students**

A student taking admission in a college is insured under the Group Insurance Scheme for Students. A student in Aided course has sum insured amount of Rs. Fifty thousand (scheme A) and in Unaided course the amount is Rs. One lakh (scheme B).

**Three-Year Integrated Course Affiliated to Mumbai University**  
**Bachelor of Management Studies Degree (BMS)**

A business management degree is one of the most coveted degrees today. In the highly competitive world that we are living in, a management degree provides a secure and rewarding career. Way back, a business management degree was a sought-after post-graduate programme after the student had completed a three-year bachelor's programme. However, the lack of employment opportunities and the need for more practical job oriented bachelor's program has led to the introduction of business management programmes at the undergraduate level.

**Objectives of the Degree**

- To create for the students of University of Mumbai an additional avenue of self-employment and also to benefit the industry by providing it with suitably trained manpower.
- To prepare students to exploit opportunities being newly created in the Management profession.
- To provide adequate basic understanding of Management skill and practices among the students.
- To give an adequate exposure to operational environment in the field of Management.
- To impart training for the use of modern technology for the benefit of all parties concerned.

**Eligibility**

**First Year:**

The Student shall have passed XIIth Std. Examination of the Maharashtra Board of Higher Secondary Education or its equivalent examination at one sitting or Diploma in any Engineering branches with two years or three years or four years duration after the S.S.C conducted by the Board of Technical Education, Maharashtra State or its equivalent examination and should have secured not less than 50% marks and 45% marks in the case of Backward Class Candidates.

**Second Year**

The candidate, to be eligible for admission to S.Y.B.M.S. should have passed all theory papers in all the previous semesters OR failed in not more than 2 theory papers, in I & II Semester End Examinations taken together.

**Third Year**

A candidate shall be allowed to keep terms for Semester V if he/she passes in each of Semester I, II, III and IV or if he/she passes Semester I and Semester II and fails in not more than two theory papers of Semester III and Semester IV taken together.

A candidate shall be allowed to keep terms for Semester VI if he/she passes in each of Semester I, II, III, IV and V or if he/she passes Semester I, Semester II and Semester III and fails in not more than two theory papers of Semester IV and Semester V taken together irrespective of his/her grade in project I of Semester V.

A candidate who does not secure a minimum grade of "C" in Project I and or Project II has to submit a fresh project till he/she secures a minimum grade of "C".

### Scheme of Examination

1. The examinations shall be conducted at the end of each semester.
2. A theory paper will carry 100 marks. The evaluation of the performance of the students in the theory papers shall be on the basis of both internal assessment (25%) and semester end examination (75%). Internal evaluation should be on the basis of class assignments, group discussion, seminars, project presentations, attendance, etc. The semester end exam shall be held at the end of each semester and shall be of two hrs. duration.

### **Special Features**

#### **Learning is Limitless! Industrial Visits:**

All Self-financing courses-enrolled students are required to go for industrial visit as a part of their curriculum. So far students have visited Formila Ltd., Suraksha Packers Ltd., CPRM, IIM, Tea factory, etc. at various places like Hyderabad, various studios, press, and news channels, Pune, Bangalore, Mysore, Ooty and Kerala. These visits help students to acquaint with the actual functioning of Industries, Corporations, etc. and relate it to their academic knowledge.

## **ATTENDANCE & OTHER RULES**

- The following shall be the rules pertaining to minimum attendance necessary for keeping terms for B.A./B.Com./BBI/BMS/BFM/BMM students:
- First Term: Minimum 75% attendance per term.
- Second Term: Minimum 75% attendance per term.
- 0.125: To keep a term at a college or recognized institution, an undergraduate must complete to the satisfaction of the Principal or Head of the Institution the course of study at the college or institution prescribed for such terms for the class to which such undergraduate then belongs.

### **Code of Conduct for Students**

1. All the students who have taken admission in the College must possess valid Identity Card. (Identity cards are issued by the College in the beginning of the first term). Students must carry with them their identity cards and should produce when demanded by the Teaching and Non-Teaching staff.
2. Identity Card should be carefully preserved and the holder of the Identity Card will be held responsible for its misuse. In case of loss of Identity Card a duplicate must be obtained by paying the prescribed charges with due procedure.
3. Students should read the notices on the Notice Boards daily.
4. Students should submit applications for scholarships / free-ships etc. as also the Enrolment Form (for first year degree students) on time as per the notices put up on the Notice Board.
5. Students must maintain silence in the classes, Library, Reading Room, Office, laboratories and the corridors. When they are free, they should make use of the College Library, of the Students Common Room, and must not loiter on the college premises or assemble in the corridor, or the Prayer Hall. Loud conversation and shouting should be avoided.
6. Dress and Hair Style should be in conformity with the standards accepted by the institution.
7. Absence in any one lecture on a day will lead to losing the attendance for the whole day. Minimum 75% attendance and satisfactory progress in studies are the essential requirements for students to become eligible for being sent up for board/ university/ college examinations.
8. Admission to a particular class does not automatically guarantee admission to higher classes in future. Admission to all classes will be on the basis of performance and availability of seats.
9. Smoking is strictly prohibited in the building and on the campus.
10. Use of mobile phones is strictly prohibited in the class rooms. Use of mobile phones with Camera and Tape recorder are strictly prohibited in the campus. Individual tapes and cameras are also not allowed.
11. The Candidate should remain personally present at the time of Admission.
