## Unfair Means Inquiry Committee Rules and Regulations

Resorting to malpractices at examinations is a serious crime in the educational system in general and examination system in particular. It shows disrespect towards the college and de-motivates sincere students. Hence, such cases need to be dealt with sternly and individuals involved need to be punished.

Various malpractices during examinations involve any acts done by the examinees at the time of examination or after the examination to get enhanced marks / grades and false credit at the examination by any illegal and immoral act. These may include activities such as copying the answers of other candidate/s, unwarranted signaling at the time of examination, carrying prohibited material along at the time of actually taking the examination, carrying mobiles or such electronic devices which are not permitted, disclosing own identity through the answer book, putting pressure on the examiner/s, etc.
