**Action Taken Report (ATR) based on Feedback Analysis: 2017 - 18**

**The students' suggestions and the action taken are given below:**

1. Students maintained that NSS, NCC platforms helped them for self-development and learning. Students believed that these platforms provided them with an opportunity to engage in creative things which ultimately resulted into their personal growth and development.

ATR: To give students an opportunity to learn more beyond the syllabus, the college has approached the Department of Lifelong Learning and Extension (DLLE) of Mumbai University to collaborate and provide support in this regard. However the Entrepreneur Development Cell (EDC) was started by the college in 2015 to engage them in creative thinking and to apply the overall learning in practical work especially in business development.
